Dear Mr. Krum:

I take great pleasure in joining Special Agent in Charge James Zloto of our Tampa Field Office in extending our sincere appreciation for your successful prosecution of the defendants in the counterfeit Japanese Yen Bond Case.

As you know, this investigation required thousands of investigative hours and resulted in the seizure of billions of dollars in fraudulent Yen bonds and bank checks.

We are particularly grateful for the considerable time and effort you put into this complicated case. Your aggressive prosecution of these criminals makes our job much more rewarding. Your determination and expertise are a credit to the U.S. Attorney's office, and we deeply appreciate your support of our investigative mission.

As a token of our esteem, please accept the Secret Service Plaque of Appreciation. I hope it will serve as a reminder of our friendship and admiration.

Sincerely,

  
Eljay B. Bowron
