Mr. Mark J. Krum  
Assistant United States Attorney  
Middle District of Florida  
Tampa, Florida

Dear Mr. Krum:

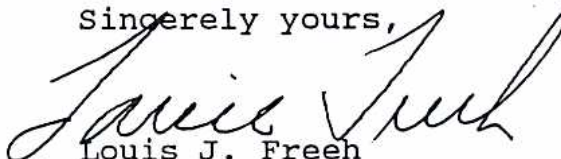

It gives me great pleasure to join my colleagues in Tampa in recognizing your superb efforts in the case of United States versus Scott C. Kaylor.

I have heard many compliments about your competence and effectiveness as the lead prosecutor in this significant case. You are to be commended for your contributions to the extensive and thorough investigation that revealed Scott Kaylor's illegal financial activities while employed with the NCNB National Bank of Florida. Your assistance and direction proved invaluable in preparing a prosecutorial case that left Kaylor with essentially no choice but to plead to all 10 counts of the indictment prior to trial.

My associates have spoken highly of your commitment to bringing Kaylor to justice. Your dedication was evident from the countless hours you worked, including nights and weekends, to familiarize yourself with the inordinate number of documents and to prepare the matter for indictment and trial. Your expertise and enthusiasm assisted the prosecution team in understanding the complex nature of Kaylor's actions and contributed significantly to the successful conclusion of this case.

On behalf of the FBI, I want to extend congratulations on a job well done and express our sincere appreciation for your impressive efforts in this case.

Sincerely yours,

  
Louis J. Freeh  
Director
